

Let's Create...

Let's Create... gives families the opportunity to imagine, create, build and explore!

We were made to create!

God is the great maker - He created the world and everything in it.
We are made in His image so He created us to be makers too.

2nd Saturday of the month (see below for 2026/7 dates)

10.30am – 12pm, at The Granary, St Martin's Quarter, Worcester

Let's Create is **free** (although donations are appreciated for refreshments) and activities are most suitable for children aged 3 -11. Children **must** be accompanied by an adult and overall responsibility remains with that adult.
